7 ISIDRO BACA, *et al.*,

8 Defendants.

Case No. 3:20-CV-0079-MMD-CLB

**ORDER DENYING PLAINTIFF'S
REQUEST FOR TRANSCRIPTS**

[ECF No. 129]

9
10 Before the Court is Plaintiff Kentrell Welch's ("Welch") request for transcripts (ECF
11 No. 129.) Welch has requested transcripts of the following hearings:

- 12 1. Telephonic status conference with the Court held on 3/31/2021;
13 2. Telephone call with the Federal Public Defenders Office held on 3/5/2021;
14 3. The video global settlement conference held on 6/29/2021.

15 As an initial matter, the Court is unsure if Welch is asking for these transcripts to
16 be prepared at government expense. If so, the Court denies that request. See 28 U.S.C.
17 § 753(f); *Henderson v. United States*, 734 F.2d 483 (9th Cir. 1984). Any transcripts Welch
18 would like prepared must be at his own expense and ordered on the Court's Transcript
19 Order Form. The Clerk is directed to send Welch the form. Welch may order a transcript
20 of the telephonic status conference held on 3/31/2021 to be prepared at his own expense.

21
22 Second, the Court does not have any record of Welch's communications with the
23 Federal Public Defenders Office on 3/5/2021 or any other date.

24 Finally, Welch has requested a transcript of the global settlement conference held
25 on 6/29/2021. (WCF No. 119.) A settlement conference is confidential and no aspect of
26 the conference shall be disclosed on the record. Therefore, no recording of the settlement
27 conference exists from which to create a transcript.
28
